

really care and that they are important to us and we want to help and that hasn't got anything to do with helping the rich get richer or to reduce corporation taxes. It has to do with simply attitude. I think this resolution goes a lot towards that. I'd like to yield, if I have a minute left, part of my time to Bernice Labedz.

PRESIDENT: Senator Labedz, please.

SENATOR LABEDZ: Thank you, Mr. President. Senator Chambers mentioned the fact as I was leaving the room that we shouldn't be going around or similar to that saying, please, please, please to any organization. I recall back in 1981 that when we went to San Francisco to keep Falstaff open, I was not a bit ashamed to say, please, please, we need that Falstaff Brewery in south Omaha and it was granted to the State of Nebraska. We did stay open for three more years and the people there were able to hold their jobs for three years. So I would go to any organization in this state and say please, please, please, over and over again to keep any business here when it concerns employment for our people. Now, the reasons that they are moving may be wrong, but I still say that if we lose ConAgra in the City of Omaha and the State of Nebraska, we're losing a lot. And I, for one, would not be ashamed to beg them to stay in the State of Nebraska no matter what the reasons were and it is our job here to find ways and means to keep big business here, big corporations or whether they are small or big doesn't make any difference, but I think that keeping jobs for our people in Nebraska, we should not be embarrassed to beg or plead that they not leave the state and go wherever they please because of lower taxes. It isn't just the personal income tax they are concerned about. It is also the property tax in the State of Nebraska, they are claiming that is too high, also, and I am sure there are other reasons, other than the personal income tax. So, I hope that we will all agree that regardless what the reasons are that we won't be embarrassed to plead with any company, large or small, to stay in the State of Nebraska.

PRESIDENT: Thank you. The question is the adoption of resolution 25. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk, please.

CLERK: 37 ayes, 0 nays, Mr. President, on adoption of the resolution.

PRESIDENT: The resolution is adopted. We will move on to
